

# Westbrook Donor Tree Starting to Bloom!

With the re-opening of Westbrook School scheduled for August 2006, the **District 57 Education Foundation** partnered with the District to convert the Westbrook Learning Resource Center into a one-of-a-kind learning center for District 57 students. The plan will convert a basic, functional LRC into a state of the art learning environment complete with a graduated level performance area, reading nooks, multi story platform structure for free reading, murals and more. With these enhancements implemented by the start of the 2006-2007 School Year, all students will be able to experience a unique learning environment that will promote literacy.

*Be a part of the District 57 Education Foundation Westbrook Donor Tree today!*

Each donor will have their name engraved on a leaf, acorn, or foundation stone that will be on permanent display at Westbrook School. The Westbrook Donor Tree will be a lasting memory for all District 57 children entering Westbrook School this fall and for all District 57 families in the years to come.

Please return the Donation Form below or contact a District 57 Education Foundation Board member for further details. Thank you for your support !

Please include our family on the **WESTBROOK DONOR TREE** plaque.

We would like to make the following donation:

- |       |                          |                         |
|-------|--------------------------|-------------------------|
