NO REGISTRATIONS ACCEPTED AFTER APRIL 25.

SummerQuest 2008 courses are contingent on adequate enrollment. If a minimum enrollment of twelve is not met for any class, it will be cancelled. A "first-come, first-served" policy will be used to fill all SummerQuest classes. Registrations will be dated and time stamped as they are received at the Administration Office.

You will receive a confirmation by mail in mid-May of the classes in which your child has been enrolled. Check now to see that you have marked a 1st, 2nd, and 3rd choice with a 1, 2, and 3. You will not receive a call to choose another class if the first choice is cancelled or full.

Please indicate your first, second, and third choice for each session with a **1, 2, 3**, in the box.

Grade levels are in parentheses. The appropriate placement is at the grade level your child has completed during the 2007-2008 school year. You must give us more than one choice in case a class fills up or is cancelled. You will not receive a call to choose another class if the first choice is cancelled or full.
